

THE DR. EMILIO MIRA Y LÓPEZ MEDAL FOR RESEARCH IN GRAPHOLOGICAL SCIENCES

In the celebratory academic ceremonies held in the Autonomous University of Barcelona for the first EUROPEAN MASTERS IN GRAPHOLOGY, the first Doctor Emilio Mira y López Medal for research in graphological sciences was awarded to the outstanding student **Afonso Henrique Maça Sousa**, in recognition of his research work concerning handwriting speed. The silver award was presented by Dr. Mira y López's daughter, Prof Montserrat Mira.
